Darwin Tulips in bloom—Supplied in all colors

Special Low Prices for DARWIN TULIP BULBS

HIGH QUALITY DUTCH BULBS

Fresh Fall Importation Direct From Grower To Us.

Mrs. J. B. Barnes, Casper, Wyo., writes "I wish to order 500 more tulip bulbs as described in your folder. I want to tell you about the wonderful tulips we had this Spring from bulbs purchased from you last Fall. Some grew to the extreme height of 32 inches. I was so pleased with them because we are about 6000 feet above sea level at our summer cottage and I was doubtful about them growing."

Now for that Fall Garden of Spring Delights—Order now

The same high class bulbs from the same high class Holland growers as we sold last year. Thousands of delighted customers this spring.

Miss Pearl Liedblad of 26 Cook Ave., Jamestown, N. Y., writes under date of June 3rd. "I have never seen more gorgeous or perfect tulips."

Mr. J. E. McIntosh, Hardware dealer, Heuvelton, N. Y., writes under date of June 11th. "Last year I bought 100 tulip bulbs for \$3.50. I never saw such wonderful tulips."

100 Bulbs for only \$3.50—500 Bulbs for only \$16.50—1000 Bulbs for only \$30.00

Select Your Varieties

Luscious
Grapes for
Delicious
Grape Juice

Plant these Super Size Grapes this Fall for Fruit Next Fall

It's a fact you may now order *extra large three year old grape vines* that have actually produced bunches of fruit in the nursery row, in other words BEARING AGE VINES which, if planted this Fall, should produce fruit next year.

PRICE—\$1.00 each, \$10.00 per 12.

These vines are 3 years old and extra large.

BEST VARIETIES FOR PRESSING JUICE OR EATING FRESH

Concord, blue. Bunches compact; berries large, round, almost black; juicy and sweet; hardy and productive.

Moore's Early, blue. Bunches large; berries round, black with a heavy blue bloom. Healthy and hardy withstanding temperatures of 20 degrees below zero. Matures twenty days before Concord.

Ives, black. Bunch extremely large, handsome; berry—large, tender, juicy, rich, sweet, without pulp. Vine is vigorous, healthy, hardy.

Brighton, red. Bunches compact, shouldered; berries wine-red, purple bloom, tender, almost seedless, sugary and rich; about a week earlier than Delaware.

Jefferson, red. Bunches large, shouldered; berries

bright red, tender, sweet, aromatic. Fine keeper and good market Grape.

Catawba, red. Bunches large, loose shouldered; berries coppery red, juicy sweet, slightly musky; vine productive.

Lucile, red. Bunches very large and compact, rich dark red, sweet and delicious; extremely hardy-healthy; bears tremendous crops. An indispensable variety for the far North.

Green Mountain, white. Bunches long, compact, shouldered; berries oval, greenish white, very sweet and rich; healthy and very productive.

Niagara, white. Bunches uniform and compact, pale yellow, with a thin white bloom; strong and very hardy. A little earlier than Concord.

SPECIAL—NEW CHAMPAGNE GRAPE—2 Yr. Size Only

A sterling variety of greatest merit. Color a beautiful copper red, berries very large—immense bearer. Champagne never having been known to winterkill, always producing an immense crop of fruit even during seasons when many other varieties fail to fruit. Champagne is a strong grower, 15 to 20 feet or more a season being common. The flesh is tender, extremely juicy and sweet with a rich aromatic flavor. Its keeping qualities are superior. Fine for eating fresh or grape juice. Order now for Fall planting as stock is limited.

PRICES—No. 1, 2 yr. extra strong \$1.00 each, \$10.00 per 12, \$65.00 per 100.

Planted this Fall will Bloom next Summer

Peonies For Fall Planting

Peony blooms retailed at local florists last June at 20c per bloom. We will sell you six strong roots that will produce scores of large and gorgeous blooms not only next Spring but each succeeding Spring for the small sum of \$3.75.

Six All Different—You Can't Beat Them—only \$3.75

For Cut Flowers the Following Varieties are Excellent

Edulis Superba. Bright mauve-pink; large, rather flat, crown type; free-flowering; fragrant; medium early.

Marechal MacMahon. Rich, dark red; large, bomb type; a fine flower of rare beauty.

Mme. Calot. Pale hydrangea-pink, center shaded darker; large, rose type, free flowering; fragrant; early. Very good.

Festiva Maxima. Pure white, flecked with carmine; very large, rose type; free-flowering; fragrant; medium early.

L'Eclatante. Brilliant red; very large bomb type; strong-growing; midseason.

Iris For Bloom Next June

At Prices You Can Afford to Pay

We offer a special assortment consisting of Japanese and Liberty Iris, each order containing an assortment of varieties and colors at the following low prices.

10 roots \$ 1.00
100 roots 9.00
1000 roots 75.00

Order generously—plant them in shrub borders, along the walks and driveways, on the banks of streams, small lakes and ponds—plant them anywhere and everywhere. One dollar, ten dollars one hundred dollars spent for these Irises will give you heaps of real pleasure and satisfaction.

Plant them this Fall and enjoy their exquisite beauty next June.

Plenty of Bloom Next Summer From Plants You Set This Fall

One quart of fruit sufficient for one big juicy pie.

Our plants are strong and bushy, 2-3 feet tall, especially selected, collected plants and have already produced fruit. Price \$1.50 each. \$15.00 per 12.

Erskine Park Everbearing Red Raspberry

Its delicious fruit may be picked every day from June until frost. Think of it. Large, red, luscious Raspberries on your table every day during four months of the year and from your own garden. As late as November 20th, we have cut branches from plants growing in the nursery, with BLOSSOMS, GREEN FRUIT and RIPE FRUIT upon them. It should be planted in every garden and especially do we recommend planting the Erskine Park in large quantities where a suitable market for the fruit is available. We have a large, fine stock of 2 year old fruiting transplants for shipment at the proper time for planting this Fall.

The Erskine Park is perfectly hardy, withstanding the severest winters without injury. Plants set out this Fall will produce an abundance of fruit next summer. Price for heavy, 2 year old, fruiting transplants, \$3.00 per doz.; \$20.00 per 100; \$150.00 per 1000.

Don't forget to add a few Hyacinth bulbs—Colors white, pink, yellow, red and blue. Large bulbs. \$3.00 per doz., \$2.00 per 6.

Ye Old Fashion Blueberries

Blueberry Plants for Your Own Garden

CAN you imagine anything more satisfactory than having delicious blueberries growing in your own garden? No doubt you have enjoyed these wonderful fruits on the hotel or restaurant menu, served with cream for breakfast, or as blueberry pie or dumplings for luncheon or dinner. They are a fruit that satisfies for three meals a day and one dozen plants are quite sufficient to supply the average family with blueberries. They can be used freely for making breakfast muffins or preserves.

Blueberries require an acid soil to produce the best results. This is prevalent in many sections of the country. Where your soil is not acid, we suggest the following method to get the most from your plants. Choose a well-drained location, easily supplied by water during the dry summer months. Blueberries do best with full sun, although they will grow and produce fruit in partial shade. In order to get the proper acid condition to your soil, mix partly rotted leaves with the soil of your garden.

The "dessert berry of the Nation."

Delicious Washington Asparagus

Extra Large, 3 year old roots for cutting next season.

You risk nothing. If upon receipt of shipment you find that the plants are not the finest and largest 3 year asparagus roots you have ever seen, wrap them up and return to us, and we will refund your money without question, quibble or controversy.

**The New Rust Resisting
Variety Developed by the
United States Department
of Agriculture**

With each order for 500 plants.
We will send free this Asparagus
Cutting Knife.

Burbank Giant Crimson Rhubarb

A Luther Burbank Creation

EXTRA large, of fine bloom, and crimson clear through, this new variety of appetizing "pie-plant" should be in every garden, and will be when known. Plant a few this Fall along beside that you now have growing in your garden and note the difference. **Burbank Giant Crimson** is superior in size and quality to any variety we have ever tested. It is an early variety, without being in the least tough or stringy, with a mild sub-acid flavor. Largest and best of all for market or home use.

Plant this Fall in good garden soil, manure well, and have delicious pie and sauce next Spring.

Price—For strong roots, 2 years old, \$1.50 per 6, \$2.00 per 12.

Why pay fancy prices for Asparagus—Grow your own.

REDUCED PRICES ON LARGE SPECIMEN FRUIT TREES

Trees 4 Years Old · Seven to Nine Feet Tall · Beautifully Rooted · Handsomely Branched

\$2.00 each; \$18.50 per 10; \$150.00 per 100

FALL is the real time to plant. The ground is in much better condition in the Fall, being mellow and warm. Stock is completely dormant in the Fall, and, therefore, can be easily and safely handled, while in the Spring the weather often comes off warm so early as to start the buds seriously before the customer can receive and plant his stock.

Many extensive and experienced planters, like the late horticultural writer, E. P. Roe, always prefer to plant in the Fall.

Shipment will be made at precisely the proper time for planting this Fall. Shipping notice will be mailed on date of shipment. Order now, today, while you have the matter fresh in your mind. Order one tree or one thousand. Our 60 years experience is back of every tree.

VARIETIES OF SUPER-SIZE FRUIT TREES

Luscious Apples for "Apple Jelly"

Red Astrachan: Large; deep crimson; juicy. August.

Yellow Transparent: Medium size; pale yellow; good. July and August.

Fameuse (Snow): Medium size; bright red; flesh white. Juicy. October.

Gravenstein: Large; yellow overlaid with red; juicy, productive. September to November.

Twenty-Ounce (Cayuga Red Streak): Very large; yellow splashed with red. October.

Baldwin: Large; deep red; crisp and juicy; vigorous grower; heavy bearer. November to March.

Delicious: Ranks high as a variety for commercial or home orchards. Large; brilliant dark red; flesh fine-grained, crisp, juicy. November to February.

McIntosh: Large; deep red; flesh crisp; tender, juicy. October to December.

Northern Spy: large; bright red; spread with delicate bloom; flesh tender, rich, delicious. November to March.

Rhode Island Greening: Large, greenish yellow; flesh tender. December to April.

Wealthy: Medium to large; deep red, juicy. October to January.

Sweet cherries for "Cherry Pies"

Dikeman: Large; black.

Governor Wood: Large, light yellow, shaded and mottled with light red.

Lambert: Very large; dark purplish red, turning to almost jet-black when full ripe.

Napoleon: Very large; pale yellow, spotted and shaded with deep red.

Black Tartarian: Very large; black; tender.

Large Montmorency (Sour).

Juicy Plums for "Plum Conserve"

Bradshaw: Very large; dark violet-red.

German Prune: Large, oval; dark purple.

Yellow Gage (Prince's Yellow Gage): Large, oval; golden yellow, slightly clouded; flesh deep yellow, rich, sugary, melting.

Lombard: Medium size; violet-red.

Burbank: Large, nearly glohular; clear cherry-red, sweet, meaty and quite firm.

October Purple: Large, round; purple.

Red June: Professor Bailey says, "By all odds the best Japanese Plum." Large; brilliant red.

Sugary Pears for "Spiced Pears"

Bartlett: Large; waxen yellow with red blush; huttery, very juicy and high-flavored.

Anjou (Beurre d'Anjou): Large, handsome; greenish yellow, with a dull red cheek on the exposed side, flesh fine-grained.

Clapp's Favorite: Very large; yellowish; green to full yellow, rich.

Angouleme: Large; greenish yellow, splashed with russet; a good bearer.

Seckel: Small, but handsome and delicious; very juicy.

Kieffer: Large, very handsome; rich yellow, tinged with red, excellent when canned.

Invitation:—Tourists visiting the "Flower City" are cordially invited to visit our nursery any week day eight to four o'clock.

MONEY BACK GUARANTEE

Money back if not perfectly satisfied, providing trees are returned properly packed same day as received. You couldn't ask for anything fairer than this.

ERNEST SPENCER

436 South 7th Avenue, Mount Vernon, N. Y.

Messrs. Glen Bros.

Rochester, N. Y.

December 5, 1925.

Gentlemen: The Lamhart Cherry Tree was planted in 15 minutes after I received it and four guy wires placed to steady it so the wind and storm will not move it. The tree is a wonder, so large and beautiful. It was received on October 12 at 5 P.M. Also the Yellow Gage Plum, something most beautiful, and very large in size and the three apple trees, all planted on arrival and braced for protection and a straw mulch will be placed around them a little later on.

Some time ago I purchased two quince, a cherry and a Hyslop Crah Apple tree from you. Let me thank you over and over as the trees are loaded with fruit each year, no let up at all. The Crab Apple is a beauty to behold with their red cheeks and its limbs loaded. I stand sometimes and think of you and I am ever so thankful that I bought from your nurseries. My asparagus bed is a wonderful producer—large stalks and plenty of them.

Let me thank you again and will recommend you whenever possible.

Yours truly, ERNEST SPENCER

Many varieties bear fruit soon after transplanting. Time is money. Plant our super-size 4 year old tree and save time and money.

A Magnificent Flower Show

'TIS true we are selling for this Fall's planting only, this selection of six magnificent French hybrid lilacs for \$6.00. Strong plants 2-3 ft. in height, planted this Fall should bloom next season. Only one thousand of these collections will be sold at this price.

Belle de Nancy: Double. Great panicles of pink flowers with white center.

Congo: Single. Flowers a beautiful deep wine-red.

President Grevy: Double. Beautiful lilac-blue flowers in huge panicles.

Mme. Abel Chatenay: Double. Sweetly scented pure white flowers in large panicles.

Charles X: Single. Strong, rapid grower; rather loose trusses of reddish purple flowers.

Leon Simon: Double large flowers of a purplish crimson shade.

You may never again have an opportunity to purchase these six wonderful lilacs at this remarkably low price. Order immediately as no orders will be received at this price after the one thousand collections have been sold.

Choice Lilies

SPECIAL collection of six varieties best hardy lilies \$3.00. No class of plants capable of being cultivated out of doors possesses so many charms. Rich and varied in color—stately and handsome in habit—profuse in variety—fragrant.

Madonna Lily: The old fashioned pure white garden lily. One of the hardiest.

Auratum Lily: (*Gold-banded Lily of Japan*). Flowers very large, delicate ivory white color thickly dotted with rich chocolate crimson spots with the bright golden bands through the center of each petal. The finest of all lilies.

Tiger Lily: Bright orange scarlet with dark spots. A strong growing, showy variety and entirely hardy. Succeeds well everywhere.

Superbum: Averages from 3 to 6 ft. in height. Its nodding crests adding to the general brilliancy of July with from 5 to 40 handsome orange red blossoms.

Speciosum Album: Pure white with a green band traversing the center of each petal.

Henry: (*Yellow Speciosum*). One of the finest hardy lilies of strong, vigorous growth with flower stalks 3 to 5 ft. long. Deep apricot yellow, light and spotted brown.

This splendid collection of six large size bulbs only \$3.00

Fine for Shrub Border or in Beds

A splendid showing at small cost

12 Beautiful Shrubs for Blooming Next Summer if Planted this Fall

This is the collection
you have been wanting
to order—large, bushy
shrubs, two year old
plants.

*Twelve of them,
all different,
for only \$5.00*

**Plant More Flowering
Shrubs**

Tartarian Upright Honey-suckle: Bears a profusion of bright pink flowers in the spring, followed by orange scarlet berries.

Siberian Pea Shrub: A large shrub with compound leaves, consisting of 8 to 12 bright green leaflets. Native of Siberia. Flowers yellow, in numerous small clusters, in late spring.

Forsythia: (Golden Bell). Rich golden yellow flowers are borne in great profusion along the branches before the leaves appear.

Hydrangea Hortensis: An upright shrub, usually 4 to 8 feet tall, with bright green leaves. Flowers creamy white, generally with a few sterile rays, borne in numerous flat-topped clusters in early summer. Hardy and attractive.

Yucca: (Adam's Needle). A handsome evergreen plant with swordlike foliage, with spikes of fragrant drooping bell-shaped creamy white flowers during June and July, making a tropical effect.

Sweet Syringa: Popular ornamental deciduous shrub that will add attractiveness and fragrance to the home gardens.

Deutzia Pride of Rochester: A shrub that delights the eye with its large double white flowers which are tinged with pink in the bud.

White Tartarian Honeysuckle: A beautiful white variety with a profusion of bright red berries ripening in summer and persisting until Autumn.

Butterfly Bush: (Summer Lilac). The name Butterfly Bush was applied to it because it seems to attract the large, gorgeously colored butterflies that swarm about it as though vieing with it in brilliancy of color. A single plant this season will throw out as many as 50 flower spikes.

Red Barked Dogwood: Spreading Shrub, 8 to 10 feet tall, with purple or dark blood-red branches, deep green leaves that are hairy on both sides, and greenish white flowers in flat-topped clusters, berries black.

Coral Berry: The conspicuous ornamental feature of this plant is the wealth of plump red fruits that are clustered along the arching branches until late winter.

Spirea Van Houttei: Better known and more largely planted than any other shrub. An extremely graceful shrub with long, drooping branches completely covered with flat clusters of white flowers in May and June. Cannot be too highly recommended. We consider it the best general-purpose shrub. Grows 6 to 8 feet high.

12 Shrubs — All Different — Fall is the Proper Time to Plant Them

Blood Leaf Peach—Brilliant Red Bark, Dark Red Foliage
Handsome pink blossoms in profusion in early Spring
Plant as an ornamental, also for its fine fruit

A Fall Special of 3 Delightful Vines, All Different for \$2.00

1 **Wisteria**: Picturesque climber with great clusters of pale bluish violet, pea-shaped flowers that make a handsome showing when a vine has been properly trained over a porch or arbor. After becoming established, the vine makes an enormous annual growth.

1 **Hall's Honeysuckle**: Evergreen climber with deliciously fragrant white flowers that change to yellow.

1 **Evergreen Bittersweet**: A beautiful, low-trailing evergreen with aerial rootlets which cling to any support. Forms a lovely decoration on walls or trees, with its masses of red berries in winter. As an evergreen, absolutely hardy wall cover, this plant is unequalled.

All 3 for \$2.00

Vines are completely dormant in the Fall, and, therefore, can be easily and safely handled, while in the Spring the weather often comes off warm so early as to start the buds seriously before the customer can receive and plant them.

A Collection of 3 Beautiful Dwarf Orna- mentals for the Lawn for Fall Planting.

Extremely Attractive

1 **Blood Leaf Peach**: Of this remarkable variety "PEACHES OF NEW YORK" by Professor U. P. Hedrick, Vice Director and Horticulturist of the New York State Agricultural Experiment Station says "Blood leaf is a handsome ornamental, its beet-red leaves in early Spring and its pink blossoms borne in great profusion entitle it to esteem for both foliage and flowers. It is worth growing as well as for its fruits." Plant it on the lawn, in your shrub border or in the garden.

1 **Purple Leaved Plum**: Small, compact-growing ornamental trees that will prove effective as a part of any planting scheme. The foliage is dark crimson, changing to purple as it matures, retaining that color until late in November.

1 **Japanese Flowering Quince**: In early Spring the branches are hidden by the wealth of dazzling scarlet flowers which are borne in great profusion. The quince-shape fruits which follow are rather fragrant. One of the best hardy shrubs grown.

**We offer this Col-
lection of 3 for \$3.50**

**Great clusters of light bluish-violet pea-shaped flowers
give the Wisteria a distinctive ornamental value.**

Hardy English Walnut Trees

For Planting in All Localities, Even the Extreme North Where
Winter Temperatures are Not Too Severe
for Peach or Cherry Trees

8 Year Old Bearing English Walnut at Glenwood Nursery

English Walnut: Every English Walnut tree we sell was started from seed produced from a bearing tree growing in this locality—every tree guaranteed is to be a “Glenwood Grown” tree, hence our trees are very hardy. Neither our young nursery trees nor our eight year old bearing trees have ever shown the slightest evidence of injury from winter temperatures of eighteen to 20 degrees below zero.

Plant a few of these trees this Fall. In your available space a few hardy, vigorous English Walnut trees will prove valuable for

decoration, shade, and allow a household supply. The smooth bark is light gray in color, and the leaves are long, deep green and waxy. The English Walnut is a rapid grower and makes a desirable shade or lawn tree.

Sizes and prices

Size	Each	Per 10
2-3 ft.....	\$1.25	\$10.00
3-4 ft.....	1.50	12.50
4-5 ft.....	2.00	18.00

8-10 ft. specimens.....	10.00	100.00

We also have hardy trees of Butternuts, Black Walnuts, Filberts, Hickories, Almond, Japanese Walnut, etc. All are described with sizes and prices in our large 32 page general catalogue containing over fifty illustrations in actual, natural colors. Free for the asking. Ask for Catalogue “A”.

The trees that we offer bear in cold New England. Read Mr. Avery's letter.

AVERY, KRETZMER, OLCOTT, Inc.
Scales, Engines, Specialties
30 High Street
Hartford, Conn.

March 11th, 1925.

Glen Brothers,
Rochester, N. Y.
Gentlemen:—

Will you please send me a copy of your latest catalogue?

It might interest you to know that some nine years ago I purchased several English Walnut trees from you, these trees have made a most satisfactory growth, and have borne a few nuts for the last three or four years. Last year four of them bore fruit of very good size and quality. One tree in particular bore some five or six quarts of very good nuts.

Have been quite pleased with the results from these trees.

Very truly yours,

(Signed) IRVING J. AVERY
Wolcott Hill, Wethersfield, Conn.

Motor tourists visiting Rochester are cordially invited to visit Glenwood Nursery on any week day and inspect our trees.
